Third Superseding Petition for Action on
JORDAN, MICHAEL ANTHONY
Case No. 3:13-CR-00097-5
March 12, 2014

The petition dated February 21, 2014, is superseded to include additional infractions of Violation Nos. 3 and 4. Additionally, the current status of the case and the probation officer's recommendation sections have been updated.

On June 4, 2013, defendant Michael Anthony Jordan appeared before Your Honor for an Initial Appearance as a result of being charged with violating Title 21 U.S.C. § 846, Conspiracy to Possess With Intent to Distribute and to Distribute Oxycodone, Hydromorphone, and Oxymorphone, Schedule II Controlled Substances; and Buprenorphine, a Schedule III Controlled Substance. The Government did not file a Motion for Detention, and the defendant was released on a personal recognizance bond with pretrial supervision. As the defendant lives in Memphis, Tennessee, courtesy supervision was requested, and accepted in the Western District of Tennessee.

Special Conditions of Release:

Please reference the attached Order Setting Conditions of Release.

VIOLATION(S):

Violation No. 1: Report to the U.S. Pretrial Services as directed.

On January 10, 2014, the supervising officer in the Western District of Tennessee attempted to contact the defendant via telephone. Mr. Jordan had failed to activate his voicemail account, and the officer was unable to leave a message. On January 10, 2014, the officer unsuccessfully attempted to contact Mr. Jordan via telephone. On January 21, 2014, the supervising officer spoke with Mr. Jordan via telephone. On January 28, 2014, the officer again unsuccessfully attempted to contact the defendant via telephone.

On February 3, 2014, the supervising officer mailed a letter to the defendant's home address that instructed him to make contact with her. On February 7, 2014, the officer again attempted to contact the defendant via telephone, to no avail.

On February 13, 2014, the defendant failed to report to the U.S. Probation and Pretrial Services Office in Memphis, Tennessee, as directed by his supervising officer.

Violation No. 2: Refrain from the use or unlawful possession of a narcotic drug or other controlled substances defined in 21 U.S.C. § 802, unless prescribed by a licensed medical practitioner; defendant shall notify Pretrial Services of any medication prescribed by a physician.

In January 2014, Mr. Jordan advised the supervising officer that on December 25, 2013, he used

cocaine laced with marijuana. He requested substance abuse treatment at that time. It is noted the urine sample was sent to Alere Laboratories, located in Gretna, Louisiana, for confirmation, and was returned negative for all screens.

Violation No. 3: Submit to any method of testing required by the pretrial services office or the supervising officer for determining whether the defendant is using a prohibited substance.

Mr. Jordan failed to report for urine screens as directed on July 17; August 29; September 20; and on October 7, 2013. On October 8, 2013, at approximately 9:30 a.m., the supervising officer contacted the defendant (who was in the Middle District of Tennessee for Court) via telephone and instructed him to report to the U.S. Probation and Pretrial Services Office in Nashville, Tennessee, for a drug screen on the same date. Defendant Jordan failed to report for the urine screen.

On October 9, 2013, the supervising officer instructed the defendant to report to the U.S. Probation and Pretrial Services Office in Memphis, Tennessee, for a urine screen. He reported for the urine screen and was negative for all substances. The defendant again failed to report for urine screens as directed on October 24, October 25, and December 19, 2013. This officer was not apprised of the defendant's multiple failures to appear for urine screens until February 7, 2014.

On February 11, 2014, the defendant submitted a urine specimen that was sent to Alere for possible cocaine use. The specimen was negative for all illicit substances but was diluted.

Mr. Jordan missed a urine screen on February 27, 2014, and he has not complied with the supervising officer's requests for him to report to the office.

Violation No. 4: Participate in a program of inpatient or outpatient substance abuse therapy and counseling if deemed advisable by the Pretrial Services Office or supervising officer.

On January 9, 2014, Mr. Jordan admitted he had not participated in NA/AA¹ meetings as directed. He reported that the Suboxone clinic he attends does not offer substance abuse treatment. It is noted the designated federal contract treatment provider in the Western District of Tennessee does not offer drug treatment for individuals receiving Suboxone.

On January 21, 2014, the supervising officer requested that Mr. Jordan present verification of his Suboxone treatment plan. He has failed to submit this documentation. Also, he has failed to provide proof that he has applied for TennCare, which would permit him to receive substance abuse treatment from a provider that accepts patients receiving Suboxone.

Third Superseding Petition for Action on
JORDAN, MICHAEL ANTHONY
Case No. 3:13-CR-00097-5
March 12, 2014

On March 6, 2014, the defendant failed to report to the U.S. Probation and Pretrial Services located in Memphis, Tennessee, to begin the referral process for inpatient substance abuse treatment. He has not called the supervising officer nor responded to her requests for him to contact her.

Violation No. 5: The defendant shall not commit any offense in violation of federal, state or local law while on release in this case.

On January 23, 2014, the defendant received a citation for Driving on a Suspended License in Davidson County, Tennessee (Case No. SCE132850). He appeared at the Metropolitan Nashville Police Department on February 20, 2014, at which time he was booked. The next court date is set for April 30, 2014.

Violation No. 6: Report, as soon as possible, in any event within 48 hours, to the pretrial services office or supervising officer any contact with any law enforcement personnel, including, but not limited to, any arrest, questioning, or traffic stop.

Mr. Jordan did not report his new arrest to the supervising probation officer until February 19, 2014. He also erroneously reported his arrest date on January 16, 2014, when he actually received the citation on January 23, 2014.

Current Status of Case:

The bond revocation hearing on February 24, 2014, was continued until April 10, 2014, at 2:00 p.m., for a status review. Also, a jury trial is scheduled for April 22, 2014, at 9:00 a.m.

Probation Officer Action:

The supervising officer has continued to encourage the defendant to remain drug free, and she has made several attempts to maintain contact with the defendant and bring him into compliance with the conditions of his supervision.

On February 27, 2014, the supervising officer advised the defendant was scheduled to complete the paperwork necessary for him to attend inpatient substance abuse treatment on March 6, 2014. On February 27, 2014, at approximately 6:02 p.m., the defendant left a voicemail message for the officer. Specifically, Mr. Jordan indicated that at 5:45 p.m., he reported to the location where he was to submit a urine screen and the doors were locked. On February 28, 2014, the supervising officer contracted the facility and confirmed urine screens were administered until 6:00 p.m. and that the doors were open until that time on the previous date.

On February 28, 2014, the supervising officer unsuccessfully attempted to contact Mr. Jordan and

March 12, 2014

also left a voicemail message with the defendant's girlfriend. The officer indicated that she has not seen Mr. Jordan nor received any return phone calls since March 4, 2014.

Respectfully Petitioning the Court as Follows:

Mr. Jordan admitted he relapsed on marijuana and cocaine in December 2013. He failed to report for several urine screens as directed and submitted a diluted screen on February 11, 2014. Although it appears defendant Jordan could benefit from substance abuse counseling, he has not participated in treatment and has not maintained contact with his probation officer to facilitate the referral process. Further, the defendant has not provided his officer with verification of a completed application for health insurance. He was also arrested in Davidson County, Tennessee, and failed to advise his officer of the new arrest for approximately one month.

As Mr. Jordan has again failed to report for urine screens, enroll in substance abuse treatment, or maintain contact with the supervising officer, it is Pretrial Services' position that he has virtually absconded from supervision. Therefore, it is respectfully requested that a warrant be issued for the defendant's arrest.

Assistant U.S. Attorney Brent Hannafan has been advised of the above violations.
